A) PURPOSE OF THE REPORT

Article 529 decies of the Spanish Corporation Law, as amended by Law 31/2014, of 3rd December, establishes that:

"1. The members of the board of directors of a listed company shall be appointed by the general shareholders meeting or, in the event of an early vacancy, by the board itself by co-option.
2. Co-option in listed companies shall be governed by the provisions of this Law, with the following exceptions:
a) The director appointed by the board need not necessarily be a company shareholder.
b) Should the vacancy arise once the general meeting has been called yet prior to holding the meeting, then the board of directors may appoint a director until the next general meeting is held.
3. For listed public limited companies, the appointment of substitutes is not admissible.
4. The proposal of the appointment or re-election of members of the board of directors is the responsibility of the Appointments and Remuneration Committee, in the case of independent directors, and of the Board of Directors itself, in all remaining cases. 5. Any proposals must be accompanied, in any case, by an explanatory report from the Board, assessing the competence, experience and merits of the candidate proposed, and shall be attached to the minutes of the general meeting or to those of the board meeting itself.
6. The proposal for the appointment or re-election of any non-independent director must also be preceded by a report from the Appointments and Remuneration Committee. [..]".

In order to comply with the provisions set out in section 5 of the aforementioned article, the Board of Directors of VISCOFAN S.A. has prepared this report, accompanying the proposal to the re-election of Mr. JOSE DOMINGO DE AMPUERO Y OSMA, as a voting member of the Company's Board of Directors, with the status of Executive Director, to be submitted to the Company's Ordinary General Shareholders' Meeting.

For the purpose of making the aforementioned proposal, the Board of Directors considered the proposal made by the Appointments and Retribution Committee, in accordance with the provisions of article 529 decies. 4 of the Spanish Corporation Law, after conducting an analysis of the current composition of the Board and its needs, considering the conditions that the directors must meet in order to exercise their responsibilities, and the dedication required to suitably perform their duties.

Likewise, in order to issue this report and as established in the aforementioned regulations, the Board of Directors considered the competence, experience and merits of the candidate proposed.

As a result of the above and considering the proposal made by the Appointments and Remuneration Committee and its report which this Board is entirely in agreement with, it is considered that Mr José Domingo de Ampuero y Osma has the competence, experience and merits required, for the purpose of proposing to the Company's General Shareholders' Meeting, his re-election as a member of the Governing Board of Viscofan S.A., with the status of executive director, for the statutory period of four years. This report is issued pursuant to the requirements established by article 529i of the Spanish Corporation Law.
